AGREEMENT OF FRIENDSHIP

The Open Episcopal Church, on the 20. day of May, in the year 2025, enters into an Agreement of Friendship with **The Episcopal Anglican Community** in Serbia.

While:

Each remains responsible solely for their own operation, administration, and governance.

And each remains responsible for the lawful and meritorious conduct of their clergy.

And each remains responsible for the development and expression of the faith – ecclesiastically, doctrinally, liturgically, and pastorally.

Yet:

Each offers friendship to the other.

Each recognises the integrity and sincerity of the other.

Each welcomes the other to worship and Communion.

In prayerful unity and fraternal love,

***The Most Rev'd* Petar Petrović**

***The Most Rev'd* Jonathan Clive Blake**
